Washington 6th Nov. 1

To The Judicial Comy
of Guyana

Sir, In reply to your letter No. 2446/225 of the 16th ultimo, I am directed to state that the Chief Comptr. concurs with you in considering that Judicial Asst Comptr should not have special charge of Treasury work in addition to their own Civil work, and he regrets that he is unable at the present time to alter the existing arrangement.—

2. In carrying the changes in the administration which, as you are aware, are under contemplation, the Chief Comptr. desires to state, while fully admitting the principles you have laid down, which, he fears, may unfortunately, when Judicial Comptr, be departed from.—

Though no remedy can be applied at the present time, the circumstances which are contemplated which should be, it is hoped, of the utmost advantage to you may be carried out as far as practicable,

I am &c.
